

## Jesuit High School football schedule 2014

Comments: Oct. 26, 2014: We attended the Ponchatoula game. Ponchatoula won with a last-minute field goal. Jesuit seemed to collapse in the last minute or two. Ponchatoula has a very strong team. The quarterback is dynamic, both in passing and running. They are highly regarded, ranking 3<sup>rd</sup> in the state. After that game, the Jays have gone on a tear, defeating all opponents decisively, until Rummel brought them back to reality on Oct. 25.
